Sir,

Civil Supplies Establishment-Prices Control-Additional Staff-Proposals submitted.

With the introduction of the compulsory levy scheme for the procurement of millets, a large amount of work has been thrown on the Taluq staffs. The Taluq office has to get daily reports of purchases made by the procurement licensees, consolidate them and submit necessary returns to the Revenue Divisional Officers and the Collector. The Tahsildar has to arrange for the distribution of the grains to the several central taluqs for local sales. The maintenance of the several registers under the procurement scheme involves much clerical work.

Steps are being taken to introduce rationing of kerosene in Major Panchayat Boards. House numbering, issue of ration cards etc. have added to the volume of work.

3. There are no special clerks for prices control work in the Taluq offices of Hadagalli, Harapanahalli and Kudligi and Siruguppa. I consider that these offices should be provided with one lower division clerk each to cope with the increased work. I therefore

P.T.O.

therefore request that the Board may be pleased to move Government for the sanction of four clerks for the period of ending 31.3.45 or till the necessity ceases, which ever is earlier.

The financial effects of the proposals are given below:-

(1)	Staff require	4. Lower Division clerks.
(2)	Pay @ Rs.30/-P.m.for 7 months..	Rs.840.0.0
(3)	Dearness Allowance	280.0.0
	Total	1120.0.0
